

If you are a scrappy rock star, then Scrap Star is the block for you! I have long said that the best bits of fabric can be found at the bottom of your scrap bin. They are the little bits of fabric too dear to part with and yet too small to be worked into many projects. My Scrap Star block utilizes a variety of small bits of fabric—just perfect for those yummy, scrappy pieces you have been hanging on to.

Scrap Star

for the Splendid Sampler™

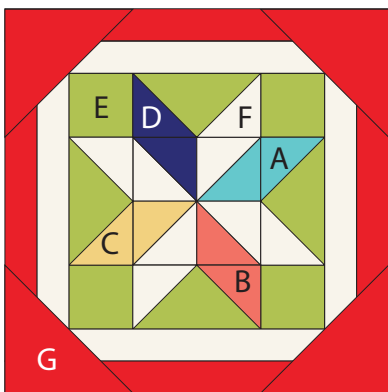

Corey Yoder

Finished Block Size 6" x 6"

Requirements

- # 4 squares - $1\frac{7}{8}$ " x $1\frac{7}{8}$ " of 4 assorted prints. Cut diagonally once (star center prints, only half of the triangles will be used) (A, B, C, D)
- # 4 squares - $1\frac{1}{2}$ " x $1\frac{1}{2}$ " of 4 assorted print squares (outer star points). (A, B, C, D)
- # 1 square - 10" x 10" of background fabric (F)
- # 1 square - 10" x 10" of fabric (E)
- # 1 square = 10" x 10" of fabric (G)

Cutting

From background fabric F cut:

- ✂ 2 squares - $1\frac{7}{8}$ " x $1\frac{7}{8}$ ". Cut diagonally once.
- ✂ 4 squares - $1\frac{1}{2}$ " x $1\frac{1}{2}$ "
- ✂ 2 rectangles - 1" x $4\frac{1}{2}$ "
- ✂ 2 rectangles - 1" x $5\frac{1}{2}$ "

From fabric (E) cut:

- ✂ 4 rectangles - $1\frac{1}{2}$ " x $2\frac{1}{2}$ "
- ✂ 4 squares - $1\frac{1}{2}$ " x $1\frac{1}{2}$ "

From fabric (G) cut:

- ✂ 2 rectangles - 1" x $5\frac{1}{2}$ "
- ✂ 2 rectangles - 1" x $6\frac{1}{2}$ "
- ✂ 4 squares - $2\frac{1}{2}$ " x $2\frac{1}{2}$ "

Block Assembly

1. Sew together the $1\frac{7}{8}$ " print triangles (A, B, C and D) and the $1\frac{7}{8}$ " background (F) triangles. Press to the print fabric. Make (4) units.

2. Sew together the units made in step 1 into a 4 patch square. The prints will form a pinwheel. Press toward the print fabrics. Press the middle seam open.

3. Using the stitch and flip flying geese method sew a print (A, B, C and D) $1\frac{1}{2}$ " x $1\frac{1}{2}$ " square to the left side of each $1\frac{1}{2}$ " x $2\frac{1}{2}$ " (E) rectangles. Trim $\frac{1}{4}$ " and press.
4. Sew the $1\frac{1}{2}$ " x $1\frac{1}{2}$ " (F) square to the right side of the unit to complete the flying geese unit. Make 4.

Stitch and flip method for flying geese

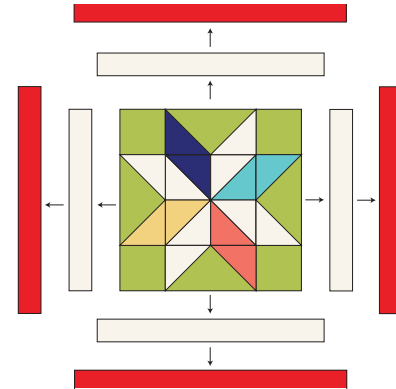

5. Arrange the flying geese blocks around the pinwheel so like fabrics match.
6. Sew 2 of the flying geese units to the sides of the star center block. Press toward the center.
7. Sew a $1\frac{1}{2}$ " x $1\frac{1}{2}$ " (E) square to the sides of the remaining 2 flying geese units. Press away from the center.
8. Sew the units made in Step 5 to the top and bottom of the unit made in Step 4. Press toward the center.

9. Sew a 1 " x $4\frac{1}{2}$ " (F) rectangle to the sides of the star. Press away from the center.
10. Sew a 1 " x $5\frac{1}{2}$ " (F) rectangle to the top and bottom of the star. Press away from the center.

11. Sew a 1 " x $5\frac{1}{2}$ " (G) rectangle to the sides of the unit. Press away from the center.

12. Sew a 1 " x $6\frac{1}{2}$ " (G) rectangle to the top and bottom of the star. Press away from the center

13. The block should now measure $6\frac{1}{2}$ " x $6\frac{1}{2}$ " square.

14. Use the stitch and flip method to sew a $2\frac{1}{2}$ " x $2\frac{1}{2}$ " (G) square onto each corner. Trim $\frac{1}{4}$ " and press away from the center.

1 inch
