

Our Splendid Sampler block is named + Love (read: Plus Love). Quiltique is a family owned business consisting of four being myself, my sister Kara and my parents Bob and Jan. We have been blessed to have grown a successful quilt shop for going on 13 years now. We all bring very different educations and talents to the table including marketing and merchandising, fine art, engineering and accounting respectively. Each one of us is represented in the four corners of the "+" but what binds each to the other is the center which is the LOVE. It is what makes us whole. We hope as you stitch this block, you are reminded that all you need is love.
